CLIFFSIDE PARK, NJ 07010

Dear Caridad Garciga,

Re: Enclosed Software/Website Development Proposal

Please find enclosed our detailed software proposal for your kind consideration.

At 314 Designs we are aware that creating client-oriented software is a combination of technical excellence and direct communication. Our firm hires only the very best to ensure you receive both. We know that every client is unique and we strive to deliver an individual, innovative, and affordable proposal every time. We pledge to build and establish outstanding work to artfully embody a client's vision.

If you have any concerns, please let us know ahead of time to ensure appropriate attention and protection on behalf of our organization. Our services are unlimited and always open to clients. Furthermore, if you would like to learn more about our organization and services please do not be afraid to ask to see our portfolio of previous work. We pride ourselves on client care, guarantees, staff training, and onsite and offsite support.

We realize that you are busy and wanted to thank you in advance for your time spent reviewing our proposal. If you have any questions, please feel free to contact us.

Yours Truly,

## STUDENT PROJECT RESPONSIBILITIES:

1. Students are to create a website for a local business as part of the SUPA WEB DESIGN Curriculum. They are to visit or contact their client after school hours to take pictures of the venue, conduct a survey with the owner, and gather all sorts of relevant information that can be useful in developing the website.
  2. All communications go through the teacher, using [lpolynice@wnyschools.net](mailto:lpolynice@wnyschools.net).
  3. All material is submitted on time for a group grade.
- 

## CLIENT RESPONSIBILITIES:

1. Have an active part in assisting the student's evaluation of the information needed to create the website.
  2. The client will allow students from the course to ask questions, take pictures, and conduct any other activity related to the successful completion of their Web Page.
  3. Completing the student evaluation form when required.
- 

## Project Outcomes:

1. Create a web page for a business in the community and expand your Web Design Portfolio as well as skills.
2. Work productively and effectively in teams.
3. Fulfil Web Design and Entrepreneurial course requirements.
